Re: *Tudor Insurance Co. v. First Advantage Litigation Consulting, LLC*,
Case No. 11-cv-3567 (S.D.N.Y.) (KBF) (KNF) (the "3567 Action"); and
*First Advantage Litigation Consulting, LLC v. American International
Specialty Lines Insurance Company, et al.*,
Case No. 11-cv-8923 (S.D.N.Y.) (KBF) (KNF) (the "8923 Action")

Dear Judge Fox:

We represent Defendant American International Specialty Lines Insurance Company n/k/a Chartis Specialty Insurance Company ("AISLIC") in the above-referenced matters.

Pursuant to Paragraph 9 of the Court's Settlement Procedures, I write with the consent of all parties to respectfully request an adjournment of the settlement conference in the case captioned *Tudor Insurance Co. v. First Advantage Litigation Consulting, LLC*, Case No. 11-cv-3567 (S.D.N.Y.) (KBF) (KNF), currently scheduled for Monday, May 21, 2012 at 10:30 am.¹ Unfortunately, AISLIC is unavailable on May 21. The parties have conferred and, if the Court's schedule permits, are all available to reschedule the settlement conference for either Wednesday, June 13, 2012 or Thursday, June 14, 2012.

¹ Subsequent to the Order scheduling the settlement conference, the action captioned *First Advantage Litigation Consulting, LLC v. American International Specialty Lines Insurance Company, et al.*, Case No. 11-cv-8923 (S.D.N.Y.) (KBF) (KNF), was transferred to the United States District Court for the Southern District of New York and marked as related to the 3567 Action. While no settlement conference has been scheduled in the 8923 Action, Judge Forrest's briefing schedule for the pending summary judgment motions consolidates the briefing for both cases and AISLIC expects that the settlement conference will similarly encompass both cases.

If the Court is not available on either of these dates, the parties will confer and provide additional dates. This is the first request for an adjournment of the settlement conference.

The parties are available at the Court's convenience to answer any questions or provide any additional information that may be required.

Respectfully submitted,

Alexander S. Lorenzo
